In the northern Shenandoah Valley, our nine towns, from New Market to Stephens City are set against a backdrop of the beautiful Allegheny and Blue Ridge Mountains.

Our small towns are like a string of pearls along the "Old Valley Pike", Route 11. Each town has its own historic flavor and are great places to stop for a look at small town life, beautiful architecture, unique shops and eateries.

History buffs will be fascinated with Stonewall Jackson's Museum, and the New Market Battlefield State Historical Park. Sample the wines made at our four local vineyards. Discover our underground worlds at Shenandoah and Crystal Caverns. Take in float making history at the American Celebration on Parade. Enjoy music under the stars at the Shenandoah Valley Music Festival. Two world class golf resorts, of grass skiing & tubing, and hiking are a sampling of the many outdoor activities.

Come visit and let us show you our natural beauty, great hotels, and friendly hospitality!
