Mom's Club of Stephens City, VA

We are a support group designed just for you, the at-home mother of today! If you are interested in the world around you, want a variety of activities for you and your child(ren) and are proud of your choice to be an at-home Mom, then the MOMS Club of Stephens City is the place for you! We know because we are at-home moms too!

You need a support group that understands your special needs as an at-home mother and we're it! We are the first, largest and fastest growing support group specifically for ALL at-home mothers!

- We meet during the day when at-home moms need support the most.
- We believe being a mother should not isolate you, so mothers may bring their child(ren) with them! For meetings, we set up a children's room (the kids think they are at their own club!) with member volunteer babysitters and at activities having children present is considered a natural part of life!
- We know that being an at-home mother today means making a financial sacrifice, so our dues are only $20 a year!
- At-home mothers of children any age are welcome! You don't have to leave the group when your children enter school. We know you still need support as your children grow.

The MOMS Club of Stephens City offers many different activity groups for many different interests. There really is something for everyone. Below are just a few of our events:

- Monthly Business Meeting
- Weekly Playgroups/Park Days
- Krafty Kids
- Sugar & Spice Recipe Club
- Book Club
- Kids Day Out & Mom's Night Out
- Walking Club/Swim Club
- Coffee Chit Chat

We also participate in several community service projects throughout the year to benefit the children in our community.
